

Key Stage 4 Curriculum 2016-17

The UAK curriculum is designed to support the specific needs of each student within the Academy. We aim to give them a broad subject choice whilst still making it appropriate to their ability and skill set.

All of our students have 4 periods of Mathematics, and 4 periods of English, where they study both Language and Literature. They also receive 5 or 6 periods of Science depending on whether they are studying 2 or 3 qualifications. All our students do 2 periods of PE per week.

Year 10 and 11 have four 2 year options.

They must choose at least one from:

- Geography
- History,
- Modern Foreign Languages (Spanish or French)
- or Computer Science.

And a further three from:

- Geography
- History,
- Modern Foreign Languages (Spanish or French)
- Computer Science
- RE
- Citizenship
- Business Studies
- IT
- Sports Studies
- Art
- Joinery (limited to certain students)
- Textiles
- Food and Nutrition
- Childcare

Further information is available from the school.
